ORDER:

In the reference read above, the DMA, A.P., Guntur has informed that the Commissioner, Municipal Corporation, Guntur has stated that the existing 800mm dia PSC Pumping main was laid during the year 1984 under comprehensive water supply improvement scheme to pump, clear water from Nehru Nagar sump to HLR Sump to fill the ELSRs of some areas in Guntur Corporation, and which already damaged.

2. The Commissioner, Municipal Corporation Guntur has stated that the project report for the APMDP suggested that the existing water supply project of old 800mm dia PSC pumping main is to be replaced at many locations as the pipe line is leaking at various locations, but re-placement of existing old 800mm dia PSC pumping main was not proposed under the APMDP Scheme that is being completed recently. Since the existing pumping, main is badly damaged and several leakages are occurring frequently and lot of treated water getting wasted and effecting the discharge carrying capacity of pipeline and there by filling of ELSRs getting delayed. Since the existing pumping main is passing through main roads and busy traffic roads lot of traffic problems are occurring frequently due to the leakages and leaks arresting such as digging the trenches, dewatering etc.

3. In this connection, the Commissioner, Municipal Corporation, Guntur has proposed to provide a parallel pumping main with 900mm dia DIK 9 pipes and the cost of which works at to Rs.12.20 Cr duly meeting the expenditure from the General funds of Guntur Municipal Corporation. The proposal was approved vide council Resolution No.1845 dated 19.01.2019. As per Municipal Corporation act and rules for sanction of works costing above Rs.2.00 Cr the Government approval is required, and also he has requested to give necessary permissions from the Government of A.P to utilize the Municipal Corporation funds of

Contd..2

Rs.12.20 Cr for the above said work. The DMA, A.P., Guntur has requested to accord administrative sanction for an amount of Rs.12.20 Cr for the work of replacement of 800mm pumping main with 900mm diameter DI pumping main from Nehru Nagar sump to HLR Sump from GMC, Guntur General Funds.

4. After careful examination of the proposal, Government hereby accord permission to the Municipal Commissioner, Guntur, to meet the expenditure of Rs.12.20 Crores, for replacement of 800mm, pumping main with 900mm diameter DI pumping main from Nehru Nagar Sump to HLR Sump, from their General Funds.

5. Accordingly, the Director of Municipal Administration, Gorantla, Guntur, shall take further necessary action.
